THE LARGEST AND MOST EXCITING MARINE & LIFESTYLE SHOW IN THE REGION

It’s back and better than ever. The Middle East’s largest and most-popular marine industry and lifestyle event is celebrating its 28th edition, and will mark the regional yachting industry’s first large-scale, in-person event since the -19 pandemic.

Organised by Dubai World Trade Centre, the five-day show will be the first to take place at Dubai’s ground-breaking new marina, Dubai Harbour, reuniting the region’s maritime community.

The Dubai International Boat Show 2022 is set to welcome over 400 boat, yacht and watercraft brands including the world premiere of Sunreef’s 80 Eco Line, a glimpse at the all-new Princess Y85, and a regional debut for San Lorenzo’s innovative SX88. A jaw-dropping line up of more than 50 floating mansions from some of the world’s leading marques including Feadship, Majesty, Nomad, Cranchi, and Lurssen await you from 9 to 13 March.

Hop aboard!
Dubai Harbour Marinas is a world-class maritime facility, featuring approximately 700 berths that can accommodate yachts up to 160m in length. As well as providing guests and crew with a full home port solution in one of the world’s most spectacular cruising grounds, Dubai Harbour Marinas also enable direct access to the open waters of the Arabian Gulf with no air draft limits.
